

Leave Balance Report Information

Leave accumulation

Each ten month contract employee accumulates one (1) sick leave day for each month worked for a total of ten days per year. The accumulated sick leave is kept in hours with 7.5 hours representing one full day. In addition, each ten month contract employee is allowed two (2) personal and professional days per year. One personal and professional day is accrued on August 1st (period 15) and the other is accrued on December 31st (period 24).

Pay Periods

There are twenty-four pay periods per year. They are numbered 1 through 24 beginning January 1 of each calendar year. Each school year begins with period 13 starting July 1 and ends with period 12 of the following year. You start accruing sick leave days at the end of August (period 16).
