

Leave Balance Report Information

Leave accumulation

Each eleven month employee accumulates one (1) sick leave day for each month worked for a total of eleven days per year. The accumulated sick leave is kept in hours with 7.5 hours representing one full day. In addition, some eleven month employees are allowed two (2) personal and professional days per year. One personal and professional day is accrued on August 1st (period 15) and the other is accrued on December 31st (period 24). Each eleven month employee accumulates annual leave each month based on years of service. Employees with five years or less of service accumulate 7.5 hours per month. Employees with less than 10 years of service but more than five years of service accumulate 11.3 hours per month. Employees with less than 20 years of service but more than 10 years of service accumulate 13.2 hours per month. Employees with more than 20 years of service accumulate 15.0 hours per month. There is a maximum of allowable annual leave hours allowed depending on years of service. Leave above the maximum allowable is transferred to sick leave on the employees hire date anniversary. Holiday compensatory leave is earned when an employee works during a scheduled state holiday.

Pay Periods

There are twenty-four pay periods per year. They are numbered 1 through 24 beginning January 1 of each calendar year. Each school year begins with period 13 starting July 1 and ends with period 12 of the following year. You start accruing sick leave days at the end of August (period 16).
